- Agri-environmental schemes
- Long term perspective

BOERENNATUUR.NL

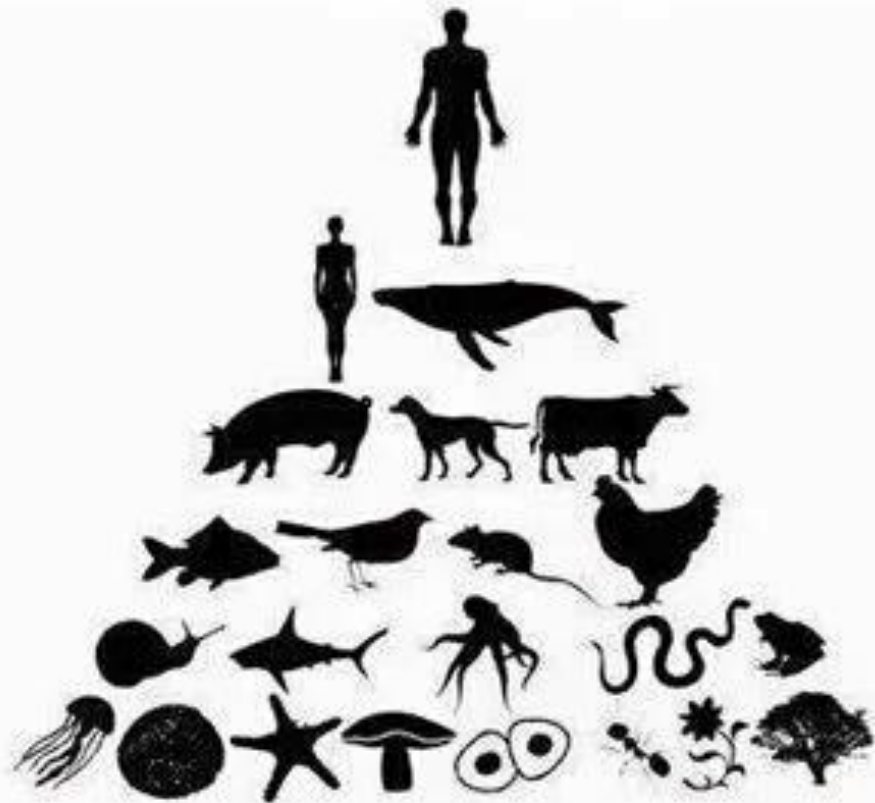

Agrarisch Natuur- en Landschapsbeheer

A broken CAP

- **Is this CAP really broken ?**
- **What were the goals?**
- **Have we achieved these goals already?**
- **So, we need new goals!**

EGO

ECO

- **If we agree on the new goal.....**
- Biodiversity, Environment, Landscape and the license to produce.
- **A change of our way of farming.**
- **Let the CAP stimulate this.**
- **Pay for what you want!**
- **Merge all green budgets.**
- **Regional targetting.**

Dutch approach

- **System Change in Agri-Environmental schemes.**
- **From Farm approach to Habitat approach.**
- **Strong rol for collectives.**
- **Shift of responsibilities.**
- **Efficiency: from 13.000 contracts to 40 !**
- **Effectiveness, habitat approach**

The Future
