CALL FOR INTEREST:

Consultant with expertise in organisational development, sustainability and fundraising for CSO coalitions

Deadline: 30 March 2020 COB

The EEB is looking for a consultant with expertise in organizational development, coalition building amongst civil society organisations representing different constituencies, their sustainability, and fundraising for networks and coalitions.

The EEB is Europe's largest and most inclusive network of environmental citizens' organisations. We bring together over 160 civil society organisations from more than 35 European countries. We stand for sustainable development, environmental justice & participatory democracy. We work to create a world where people and nature thrive together. For more information please visit www.eeb.org.

The selected expert will work as part of our project Make Europe Sustainable for All. It promotes the ambitious implementation of the world's crisis plan – the 17 UN Sustainable Development Goals (SDGs) – by and in the EU. The project aims at strengthening civil society networks working on SDG implementation across the EU and to highlight to the public and political leaders at the local, national, and European level that SDG implementation is crucial for an inclusive, sustainable and resilient future for all people and planet.

Specific tasks for the consultant:

- Facilitate the development of a 5-year strategic plan for SDG Watch Europe with focus on advocacy work, campaigning, communication and mobilization, SDG monitoring and reporting, organizational development, in particular the development of its governance structures and the consolidation and integration of its membership in close consultation with the membership, the Work Strand facilitators and the Steering Group based on previous work plans and activities.
- As part of the development of a 5-year strategic plan, review previous SWOT and other analysis put together by the Steering Group as well as discussion during recent Plenaries and General Assemblies.
- Review existing decisions and analysis regarding the funding needs for SDG Watch Europe, in particular for its Secretariat and for a Coordinator, and develop a fundraising strategy linked to the 5-year strategic plan to fund both the SDG Watch Europe Secretariat and a Coordinator
as well as potential future projects involving national-level SDG coalitions and other members.

- Identify concrete funding sources for the 5-year strategic plan, and for the more immediate need to fund the SDG WE Secretariat and a Coordinator.
- If adequate, facilitate meetings for the Steering Group with potential funders (such as foundations, governments, other CSOs).
- Write up project proposals / funding requests in consultation with the SDG Watch Europe Steering Group for submission during the time period covered by the consultancy.

We are looking for a consultant with:

- Strong expertise in organisational development, in particular coalition building amongst civil society organisations representing different constituencies;
- Experience in building the sustainability of CSO coalitions or networks;
- Experience developing strategies for CSO coalitions or networks;
- Fundraising skills for CSO networks or coalitions;
- A strong track record with successful funding applications.

Conditions and selection procedure
